

ExpressCare

A Halifax Health Walk-In Clinic

JOB TITLE: X-Ray Technologist

Job Summary

Halifax Health ExpressCare is currently seeking a Radiology Technologist. The tech will provide direct positioning and x-ray imaging to patients in our Urgent Care health clinics based in Daytona Beach, Florida and surrounding areas.

Typical schedules *may* consist of 12 hour shifts through the week with rotating weekends off.

Clinic hours are Monday-Thursday 8a-8p, Friday 8a-6pm, Saturday 9a-4p, and Sunday 9a-4p, but are subject to change

Responsibilities and Duties

- Operate or oversee operation of radiology or magnetic imaging equipment to produce images of the body for diagnostic purposes.
- Explain procedures and observe patients to ensure safety and comfort during scan.
- Ensures imaging equipment is proper operating condition.
- Manages necessary imaging supplies.
- Nursing duties including measuring and recording patients' vital signs and perform clinical tasks
- Supporting all team members in all clinic operations to ensure the highest quality patient care possible.

Education

- A graduate of an approved JRCERT radiology program (The Joint Review Committee on Education in Radiology Technology).
- ARRT certification required
- State License required
- Basic Life Support (BLS) certification, current

Qualifications

- Preferred: Prior hospital and/or physician office background
- Preferred: Nursing experience
- Must be able to lift 25 lbs and stand/sit for extended periods of time

- Experience with EMR systems
- Adaptable in differing situations.
- Able to multi-task and work independently.
- Must be flexible with hours/shifts at times working 12-hour shifts.
- Must be able to work weekends and hours listed above.
